About the State

Rev. John Porter, pastor of the Universalist church in Morrisville, has tendered his resignation, to take effect on July 1.

While the young son of Truman Wiswell of Bridport was playing on the doorsteps of his home Thursday, he slipped and fell, striking his chin on the ground with such force that he bit off half of his tongue.

Burlington's tax rate for 1911 will be \$1.75. The rate was fixed by the board of aldermen Friday night and is an increase of five cents over the past two years. The increase is deemed necessary to wipe out a floating indebtedness of \$24,592.50 incurred during the last two or three years. The total amount of expense to be met by the city the coming year is estimated at \$286,687.05 and it is estimated that the increased tax will raise \$287,992.81.

William Norman of North Adams, Mass., but formerly of Wilmington, was fatally injured at the former place on June 9, while trying to stop a team of runaway horses. Three ribs were fractured and he sustained internal injuries, from which he died at the House of Mercy in Pittsfield. Norman grabbed the hanging reins of the frightened span, but was pulled against a mail box and thrown to the ground, the wheels passing over his body. He was 36 years old.

J. L. Blanchard of Shoreham lost a wallet containing over \$20 Thursday, either on the train or the streets of Burlington. When on the train he felt the money in his hip pocket and as soon as he alighted he went to the store of J. O. Middlebrook & Sons and found that it was gone. There was a large crowd at the railway station and there is a possibility that the money was taken there. The bills were a ten, a five, two twos and several ones. There was also a check, indorsed by W. H. Baldwin.

MIDDLEBURY BACCALAUREATE

Idle Minds Is Trouble with the United States Says Pres. Thomas.

Middlebury, June 20.—The trouble with this country just now is not so much idle freight cars and locomotives—they are but the symptom—the real trouble is idle minds. If men would get their minds to work they would create enough industry to change the whole face of things," declared Pres. John M. Thomas of Middlebury college in his annual sermon to the graduating class Sunday.

"We need men alert and active to catch their calls to service, not sleeping with the listless crowd, but awake to the world's crying needs, who put into their work that nerve of energy, that tenacity of grip, that fixity of achievement which delights the onlooker, which cheers one's fellow workers, which sets the world forward and carries a foothold higher for the next man to climb. It is not to idleness that most of us are tempted, but to things half way, with half our manhood, half our mind."

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpelidol.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him? It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Herpelidol. Herpelidol is successful because it attacks and kills the parasitic germ which feeds on the hair roots. It is the original and only genuine scalp germicide manufactured. Sold by leading druggists. Send 10c. in stamps for sample to The Herpelidol Co., Detroit, Mich.

In Chancery.

September Term, 1911.

A. B. Hutchins & E. H. Bailey

H. J. Slayton, Trustee of the bankrupt estate of E. Fernandez, Aureliano Rivas, Mercedes Canales, Euisio Fernandez & Frank Sherburne.

Whereas, A. B. Hutchins and E. H. Bailey, both of the Town of Barre, in the County of Washington and State of Vermont, have brought their bill of foreclosure against Herbert J. Slayton, Trustee of the bankrupt estate of Euisio Fernandez, of the City of Barre, in the County of Washington, Aureliano Rivas, Mercedes Canales, Euisio Fernandez and Frank Sherburne, all of Montpelier in the County of Washington and State of Vermont, which cause is now pending in the Court of Chancery in the County of Washington and State of Vermont, and wherein complaint and say, that Joseph Canales, Mercedes Canales, Aureliano Rivas, all of Montpelier, in the County of Washington and State of Vermont, on the 14th day of February, A. D. 1908, executed their promissory notes and delivered the same to A. B. Hutchins and E. H. Bailey, one of three hundred (\$300) dollars, payable on or before March 1st, A. D. 1907, one of five hundred (\$500) dollars, payable on or before the 1st day of March, A. D. 1908, and one of seven hundred and thirty five (\$735) dollars, payable on or before March 1st 1909, and all with interest annually, and in order to secure the payment of said notes according to the same, the said Joseph Canales, on the 14th day of February, A. D. 1908, in consideration of fifteen hundred (\$1,500) dollars, by his deed of that date by him duly executed, acknowledged and recorded conveyed to the said A. B. Hutchins and E. H. Bailey the following described land in the town of Barre, in the County of Washington and State of Vermont, viz: Beginning at the southwest corner pier of the said Joseph Canales stone shed which stands on the land hereby conveyed; thence North 38 deg. 30 m. E. one hundred and eleven feet to a stake and stone; thence North 51 deg. 10 m. W. sixty feet to a stake and stone; thence South 38 deg. 50 m. W. one hundred and eleven feet to the south west corner pier stone of said shed; thence South 51 deg. 10 m. E. sixty feet to place of beginning. Being the same land and premises and privileges thereto attached and subject to the same conditions that E. J. Woodbury and E. H. Bailey conveyed to Joseph Canales by deed bearing date the 5th day of February, 1906, also all the machinery attached and used with said stone shed on the land, upon condition that if the said notes should be paid according to their tenor said deed to be void, otherwise of force, as by said deed will more fully appear.

And further reciting, that the said Joseph Canales, on the 14th day of July, A. D. 1906, gave two notes to Aureliano Rivas, amounting to one thousand and seventy-eight dollars and seventy-five cents (\$1,078.75) and in order to secure the payment of said notes according to their tenor, the said Joseph Canales on the same day, in consideration of said sum by his deed of that date conveyed to the said Aureliano Rivas the said land and premises above described, setting forth a prior mortgage to the said A. B. Hutchins and E. H. Bailey and that said mortgage remained in full force and effect.

And further setting forth that said Joseph Canales on the 21st day of January, 1907, executed to Frank A. Sherburne of Montpelier in the County of Washington, a third mortgage on said property above described, to secure the said Frank A. Sherburne, for signing a certain promissory note for the sum of fifteen hundred dollars to the First National Bank of Montpelier and also for other indebtedness existing between them, and that said mortgage is still in force and effect.

And further setting forth that on the 29th day of July, A. D. 1907, said Joseph Canales claimed to said Euisio Fernandez all his right and title in said property above described, subject to said mortgages and which said mortgages the said Euisio Fernandez assumed and agreed to pay.

And further setting forth that on the 28th day of January, A. D. 1908, the said Euisio Fernandez was adjudged a bankrupt by the United States District Court of the District of Vermont, on the 25th day of February, A. D. 1908, Herbert J. Slayton of the City of Barre was duly appointed trustee in bankruptcy of his estate, and that said Slayton duly qualified as such trustee.

And further setting forth that in order to further secure the orators for the payment of the three notes given to them by said Joseph Canales, Mercedes Canales and Aureliano Rivas, on the 14th day of February, A. D. 1906, as above set forth and described the said Mercedes Canales on the 14th day of February, A. D. 1906, in consideration of the sum of fifteen hundred dollars, by her deed of that date conveyed to the said A. B. Hutchins and E. H. Bailey the following described land in the City of Montpelier in said County, viz:

Being the same land and premises together with the buildings thereon standing that Urelio Fernandez conveyed by warranty deed dated May 30th, A. D. 1905, to the said Mercedes Canales which said deed is recorded in book 22 page 343 of the land records of Montpelier, and reference is made to said deed for more particular description, and being further described as follows. It being a certain building lot and all buildings thereon situated on the northwesterly side of Barre Street and bounded as follows: beginning at a point on the northwesterly side of Lot No. 21, on the plan of Sibley & Kemp's addition in Montpelier survey of 1902, at the southeast corner of the land conveyed by warranty deed by the said Urelio Fernandez and Mercedes Canales to the said Mercedes Canales at a point sixty five feet from the southwesterly side of Sibley Avenue; thence northwesterly along the southeasterly line of the land so conveyed sixty five feet to the south-

westerly corner of said land; thence turning at right angles to the left and extending in a straight line to Barre Street; thence along the northwesterly side of Barre Street to the southeasterly side of lot No. 20 on said plan, thence in a straight line along the northwesterly line of said lot No. 20 and 21 to the place of beginning, upon condition that if said notes should be paid according to their tenor then the said deed to be void otherwise of force, and further setting forth that by said deed it would appear that the Capital Savings Bank and Trust Company of Montpelier held a first mortgage on said property to secure an indebtedness of twenty five hundred dollars, which said last mentioned mortgage was then in full force and effect.

And further setting forth that two of said notes, viz., the note for the sum of five hundred dollars and the note for the sum of seven hundred and thirty five dollars, were due and unpaid, and praying that the defendants be decreed to pay to the Clerk of this Court for the benefit of the orators the sum due on said notes with interest and costs and by a short day to be fixed by the Court, and in default thereof that the said defendants, Herbert J. Slayton, Trustee as aforesaid, Aureliano Rivas, Euisio Fernandez and Frank A. Sherburne and all persons claiming by, from and under them be forever foreclosed of all equity of redemption in the premises first described, and further that the defendant Mercedes Canales and all persons claiming by, from and under her be forever foreclosed of all equity of redemption in the last described premises, that the orators have a writ of possession of the aforesaid premises as above described.

And whereas it is made to appear to the Court that the defendant Aureliano Rivas is without this State where service of the writ of this Court cannot be made upon him, therefore it is ordered that the said defendant be given notice of the pendency of said bill in Chancery, given opportunity to make defence therein and summoned to appear to make answer thereto, before the Honorable Court of Chancery next to be held at Montpelier within and for the County of Washington and State of Vermont on the second Tuesday in September, A. D. 1911, at 10 o'clock in the forenoon, at the Court house in the County of Washington, this 17th day of June, A. D. 1911.

Melville E. Smith, Clerk.

A. A. Sargent, Solicitor for orators.

ADVICE FOR BARRE PEOPLE

People in Barre who have constipation, sour stomach or gas on the stomach, should use simple buckthorn bark, glycerine, etc., as compounded in Adler's, the new German appendicitis remedy. A SINGLE DOSE brings relief almost INSTANTLY, because this simple mixture antiseptizes the digestive organs and drains off the impurities. C. H. Kendrick & Co., druggist.
